

2025 Chief FOIA Officer Report

Committee for Purchase From People Who Are Blind or Severely Disabled

The Committee for Purchase From People Who Are Blind or Severely Disabled (Committee), operating as the U.S. AbilityOne Commission, administers the AbilityOne Program pursuant to the authority of 41 U.S.C. § 8501 *et seq.* Through the AbilityOne Program, employment opportunities are provided to people who are blind or severely disabled through the acquisition of products and services by the Federal Government.

The Committee is a small agency with 30 full-time employees (FTE). Due to the small size of the agency and the small volume of FOIA requests, FOIA Administrator duties are a part-time responsibility of one employee. The Office of General Counsel, as the Chief FOIA Officer, provides supervision, oversight, and overall guidance and direction of the FOIA program and reviews each FOIA request.

Section I: FOIA Leadership and Applying the Presumption of Openness

The guiding principle underlying the Attorney General's 2022 [FOIA Guidelines](#) is the presumption of openness. The Guidelines also highlight the importance of agency leadership in ensuring effective FOIA administration. Please answer the following questions about FOIA leadership at your agency and describe the steps your agency has taken to ensure that the presumption of openness is being applied to all decisions involving the FOIA.

A. Leadership Support for FOIA

1. The FOIA requires each agency to designate a Chief FOIA Officer who is a senior official at least at the Assistant Secretary or equivalent level. See 5 U.S.C. § 552(j)(1) (2018). Is your agency's Chief FOIA Officer at or above this level?

Yes.

2. Please provide the name and title of your agency's Chief FOIA Officer.

Marlin D. Paschal, General Counsel

3. What steps has your agency taken to incorporate FOIA into its core mission? For example, has your agency incorporated FOIA milestones into its strategic plan?

Not applicable.

B. Presumption of Openness

4. The Attorney General's 2022 FOIA Guidelines provides that "agencies should confirm in response letters to FOIA requesters that they have considered the foreseeable harm standard when reviewing records and applying FOIA exemptions." Does your agency provide such confirmation in its response letters?

No.

5. In some circumstances, agencies may respond to a requester that it can neither confirm nor deny the existence of requested records if acknowledging the existence of records would harm an interested protected by a FOIA exemption. This is commonly referred to as a *Glomar* response. If your agency tracks Glomar responses, please provide:

- the number of times your agency issued a full or partial *Glomar* response during Fiscal Year (FY) 2024 (separate full and partial if possible); **0**
- the number of times a *Glomar* response was issued by exemption during FY 2024 (e.g., Exemption 7(C) – 20 times, Exemption 1 – 5 times). **0**

Not applicable.

6. Optional -- If there are any other initiatives undertaken by your agency to ensure that the presumption of openness is being applied, please describe them here.

N/A. No new initiatives.

Section II: Ensuring Fair and Effective FOIA Administration

The Attorney General's 2022 [FOIA Guidelines](#) provide that "[e]nsuring fair and effective FOIA administration requires . . . proper training, and a full understanding of FOIA obligations by the entire agency workforce." The Guidelines reinforce longstanding guidance to "work with FOIA requesters in a spirit of cooperation." The Attorney General also "urge[s] agency Chief FOIA Officers to undertake comprehensive review of all aspects of their agency's FOIA administration" as part of ensuring fair and effective FOIA administration.

A. FOIA Training

7. The FOIA directs agency Chief FOIA Officers to ensure that FOIA training is offered to agency personnel. See 5 U.S.C. § 552(a)(j)(2)(F). Please describe the efforts your agency has undertaken to ensure proper FOIA training is made available and used by agency personnel.

FOIA training materials were reviewed and periodically DOJ FOIA training courses are monitored and taken when available.

8. Did your FOIA professionals or the personnel at your agency who have FOIA responsibilities attend substantive FOIA training during the reporting period such as that provided by the Department of Justice?

Yes.

9. If yes, please provide a brief description of the type of training attended or conducted and the topics covered.

OIP's Introduction to the Freedom of Information Act

10. Please provide an estimate of the percentage of your FOIA professionals and staff with FOIA responsibilities who attended substantive FOIA training during this reporting period.

100%

11. OIP has [directed agencies](#) to "take steps to ensure that all of their FOIA professionals attend substantive FOIA training at least once throughout the year." If your response to the previous question is that less than 80% of your FOIA professionals attended training, please explain your agency's plan to ensure that all FOIA professionals receive or attend substantive FOIA training during the next reporting year.

Not applicable.

12. Describe any efforts your agency has undertaken to inform non-FOIA professionals of their obligations under the FOIA. In particular, please describe how often and in what formats your agency provides FOIA training or briefings to non-FOIA staff; and if senior leaders at your agency received a briefing on your agency's FOIA resources, obligations and expectations during the FOIA process?

Not applicable.

B. Outreach

13. As part of the standard request process, do your FOIA professionals proactively contact requesters concerning complex or voluminous requests in an effort to clarify or narrow the scope of the request so requesters can receive responses more quickly? Please describe any such outreach or dialogue and, if applicable, any specific examples.

When appropriate, the Commission reaches out to requesters for complex or voluminous records in an effort to clarify the request, narrow the scope, and notify of potential costs.

14. Outside of the standard request process or routine FOIA Liaison or FOIA Requester Service Center interactions, did your FOIA professionals engage in any outreach or dialogue, with the requester community or open government groups regarding your administration of the FOIA? For example, did you proactively contact frequent requesters, host FOIA-related conference calls with open government groups, or provide FOIA training to members of the public? Please describe any such outreach or dialogue and, if applicable, any specific examples of how this dialogue has led to improvements in your agency's FOIA administration.

No.

15. The FOIA Improvement Act of 2016 requires additional notification to requesters about the services provided by the agency's FOIA Public Liaison. Please provide an estimate of the number of times requesters sought assistance from your agency's FOIA Public Liaison during Fiscal Year 2024 (please provide a total number or an estimate of the number for the agency overall).

None.

C. Other Initiatives

16. Has your agency evaluated the allocation of agency personnel resources needed to respond to current and anticipated FOIA demands? If so, please describe what changes your agency has or will implement.

Yes. Due to the small size of the Commission, part-time FOIA administration responsibility of only one employee and the low FOIA demand, no new steps were taken during this fiscal year.

17. How does your agency use data or processing metrics to ensure efficient management of your FOIA workload? For example, case management reports, staff processing statistics, etc. In addition, please specifically highlight any data analysis methods or technologies used.

The Commission tracks how long a FOIA request takes to complete.

18. The federal [FOIA Advisory Committee](#), comprised of agency representatives and members of the public, was created to foster dialogue between agencies and the requester community, solicit public comments, and develop recommendations for improving FOIA administration. Since 2020, the FOIA Advisory Committee has issued a number of [recommendations](#). Please answer the below questions:

- Is your agency familiar with the FOIA Advisory Committee and its recommendations? **Yes.**

- Has your agency implemented any of its recommendations or found them to be helpful? If so, which ones? **No.**

19. Optional -- If there are any other initiatives undertaken by your agency to ensure fair and effective FOIA administration, please describe them here.

Section III: Proactive Disclosures

The Attorney General's 2022 [FOIA Guidelines](#) emphasize that "proactive disclosure of information is . . . fundamental to the faithful application of the FOIA." The Guidelines direct agencies to post "records online quickly and systematically in advance of any public request" and reiterate that agencies should post records "in the most useful, searchable, and open formats possible."

20. Please describe what steps your agency takes to identify, track, and post (a)(2) proactive disclosures.

All FOIA requests are monitored although as a small agency there are few FOIA requests annually. If any "frequently requested" records are identified, then they are considered for posting in our FOIA reading room.

21. Does your agency post logs of its FOIA requests?

No.

- If so, what information is contained in the logs? ***Not applicable.***
- Are they posted in CSV format? If not, what format are they posted in? ***Not applicable.***
- Please provide a link to the page where any FOIA logs are posted. If applicable, please provide component links. ***Not applicable.***

22. Provide examples of any material (with links) that your agency has proactively disclosed during the past reporting year, including records that have been requested and released three or more times in accordance with 5 U.S.C. § 552(a)(2)(D).

Media Room examples can be found online at www.abilityone.gov/media_room/news_events.html.

23. Please provide a link (or component links, if applicable) where your agency routinely posts its frequently requested records.

FOIA Reading Room:

https://www.abilityone.gov/laws,_regulations_and_policy/foia_reading_room.html

24. Beyond posting new material, is your agency taking steps to make the posted information more useful to the public, especially to the community of individuals who regularly access your agency's website? If yes, please provide examples of such improvements, such as steps taken to post information in open and machine readable formats.

No.

25. Does your proactive disclosure process or system involve any collaboration with agency staff outside the FOIA office, such as IT or data personnel? If so, describe this interaction.

The Office of General Counsel, along with the Office of Strategic Communications & Government Affairs and other senior staff, routinely review existing and new agency documentation for potential proactive disclosures and then coordinate for website posting parameters.

26. Optional -- Please describe the best practices used to improve proactive disclosures and any challenges your agency faces in this area.

Section IV: Steps Take to Greater Utilize Technology

A key component of FOIA administration is using technology to make information available to the public and to gain efficiency in FOIA processing. The Attorney General's 2022 [FOIA Guidelines](#) emphasize the importance of making FOIA websites easily navigable and complying with the [FOIA.gov](#) interoperability requirements. Please answer the following questions to describe how your agency is using technology to improve its FOIA administration and the public's access to information.

27. Has your agency reviewed its FOIA-related technological capabilities to identify resources needed to respond to current and anticipated FOIA demands?

The Commission has looked into software that would help automate, track, and facilitate quicker responses to FOIA requests, including presentations on software to evaluate whether the cost would be appropriate for the small volume of FOIA requests the agency receives.

28. Please briefly describe any new types of technology your agency uses to support your FOIA program.

The Commission does not currently use new technology to support our FOIA program due to the size of the agency and the relatively low volume of requests.

29. Does your agency currently use any technology to automate record processing? For example, does your agency use machine learning, predictive coding, technology assisted review or similar tools to conduct searches or make redactions? If so, please describe and, if possible, estimate how much time and financial resources are saved since implementing the technology.

No.

30. OIP issued [guidance](#) in 2017 encouraging agencies to regularly review their FOIA websites to ensure that they contain essential resources and are informative and user-friendly. Has your agency reviewed its FOIA website(s) during the reporting period to ensure it addresses the elements noted in the guidance?

Yes, the Commission has reviewed its FOIA website during the reporting period.

31. Did all four of your agency's [quarterly reports](#) for Fiscal Year 2024 appear on FOIA.gov?

No.

32. If your agency did not successfully post all quarterly reports on FOIA.gov, please explain why and provide your agency's plan for ensuring that such reporting is successful in Fiscal Year 2025.

No. Due to no full-time FOIA staff, time was not devoted to completing the quarterly reports due to competing responsibilities. However, the Commission is making efforts to track and capture data and hopes to be able to post quarterly reports in the future.

33. The FOIA Improvement Act of 2016 requires all agencies to post the raw statistical data used to compile their Annual FOIA Reports. Please provide the link to this posting for your agency's Fiscal Year 2023 Annual FOIA Report and, if available, for your agency's Fiscal Year 2024 Annual FOIA Report.

[2024 FOIA Annual Report \(XML\)](#)

34. In February 2019, DOJ and OMB issued joint [Guidance](#) establishing interoperability standards to receive requests from the National FOIA Portal on FOIA.gov. Are all components of your agency in compliance with the guidance?

Yes.

35. Optional -- Please describe the best practices used in greater utilizing technology and any challenges your agency faces in this area.

Section V: Steps Taken to Remove Barriers to Access, Improve Timeliness in Responding to Requests, and Reduce Backlogs

The Attorney General's 2022 [FOIA Guidelines](#) instruct agencies "to remove barriers to requesting and accessing government records and to reduce FOIA processing backlogs." Please answer the following questions to describe how your agency is removing barriers to access, improving timeliness in responding to requests, and reducing FOIA backlogs.

A. Remove Barriers to Access

36. Has your agency established alternative means of access to first-party requested records, outside of the typical FOIA or Privacy Act process?

Yes.

37. If yes, please provide examples. If no, please indicate why not. Please also indicate if you do not know.

Requesters can submit FOIA requests directly to the Commission through its FOIA email control box as well as via mail with the address posted on its FOIA website and FOIA guide.

38. Please describe any other steps your agency has taken to remove barriers to accessing government information.

Not applicable.

B. Timeliness

39. For Fiscal Year 2024, what was the average number of days your agency reported for adjudicating requests for expedited processing? Please see Section VIII.A. of your agency's Fiscal Year 2024 Annual FOIA Report.

Not applicable.

40. If your agency's average number of days to adjudicate requests for expedited processing was above ten calendar days, according to Section VIII.A. of your agency's Fiscal Year 2024 Annual FOIA Report, please describe the steps your agency will take to ensure that requests for expedited processing are adjudicated within ten calendar days or less.

Not applicable.

41. Does your agency utilize a separate track for simple requests?

Yes.

42. If your agency uses a separate track for simple requests, according to Annual FOIA Report section VII.A, was the agency overall average number of days to process simple requests twenty working days or fewer in Fiscal Year 2024?

No.

43. If not, did the simple track average processing time decrease compared to the previous Fiscal Year?

No.

44. Please provide the percentage of requests processed by your agency in Fiscal Year 2024 that were placed in your simple track. Please use the following calculation based on the data from your Annual

FOIA Report: (processed simple requests from Section VII.C.1) divided by (requests processed from Section V.A.) x 100.

12.7%.

45. If your agency does not track simple requests separately, was the average number of days to process all non-expedited requests twenty working days or fewer?

Not Applicable.

C. Backlogs

Backlogged Requests

46. If your agency had a backlog of requests at the close of Fiscal Year 2024, according to Annual FOIA Report Section XII.D.2, did that backlog decrease as compared with the backlog reported at the end of Fiscal Year 2023?

No.

47. If not, according to Annual FOIA Report Section XII.D.1, did your agency process more requests during Fiscal Year 2024 than it did during Fiscal Year 2023?

Yes.

48. If your agency's request backlog increased during Fiscal Year 2024, please explain why and describe the causes that contributed to your agency not being able to reduce its backlog. When doing so, please also indicate if any of the following were contributing factors:

- An increase in the number of incoming requests
- A loss of staff
- An increase in the complexity of the requests received (if possible, please provide examples or briefly describe the types of complex requests contributing to your backlog increase)
- Litigation
- Any other reasons – please briefly describe or provide examples when possible

The Commission had an approximately 27% increase in the number of incoming requests. In addition to the increased volume, there was an increase in the complexity of the FOIA requests received during FY 2024. These factors in combination with the fact that the Commission does not have full-time FOIA staff contributed to the inability to reduce the agency's backlog.

49. If you had a request backlog, please report the percentage of requests that make up the backlog out of the total number of requests received by your agency in Fiscal Year 2024. Please use the following calculation based on data from your Annual FOIA Report: (backlogged requests from Section XII.A) divided by (requests received from Section V.A) x 100. This number can be greater than 100%. If your agency has no request backlog, please answer with "N/A."

27%

Backlogged Appeals

50. If your agency had a backlog of appeals at the close of Fiscal Year 2024, according to Section XII.E.2 of the Annual FOIA Report, did that backlog decrease as compared with the backlog reported at the end of Fiscal Year 2023?

Not applicable.

51. If not, according to section XII.E.1 of the Annual FOIA Report, did your agency process more appeals during Fiscal Year 2024 than it did during Fiscal Year 2023?

52. If your agency's appeal backlog increased during Fiscal Year 2024, please explain why and describe the causes that contributed to your agency not being able to reduce its backlog. When doing so, please also indicate if any of the following were contributing factors:

- An increase in the number of incoming appeals
- A loss of staff
- An increase in the complexity of the requests received (if possible, please provide examples or briefly describe the types of complex requests contributing to your backlog increase)
- Litigation
- Any other reasons – please briefly describe or provide examples when possible

Not applicable.

53. If you had an appeal backlog please report the percentage of appeals that make up the backlog out of the total number of appeals received by your agency in Fiscal Year 2024. Please use the following calculation based on data from your Annual FOIA Report: (backlogged appeals from Section XII.A) divided by (appeals received from Section VI.A) x 100. This number can be greater than 100%. If your agency did not receive any appeals in Fiscal Year 2024 and/or has no appeal backlog, please answer with "N/A."

N/A

D. Backlog Reduction Plans

54. In the 2024 guidelines for Chief FOIA Officer Reports, any agency with a backlog of over 1000 requests in Fiscal Year 2023 was asked to provide a plan for achieving backlog reduction in the year ahead. Did your agency implement a backlog reduction plan last year? If so, describe your agency's efforts in implementing this plan and note if your agency was able to achieve backlog reduction in Fiscal Year 2024?

Not applicable.
