Cooperative Agreement
between
the Committee for Purchase From People
Who Are Blind or Severely Disabled
and
Central Nonprofit Agency (CNA)

This Agreement is entered into by and between the Committee for Purchase From People Who Are Blind or Severely Disabled, operating as the U.S. AbilityOne Commission ("Commission"), and SourceAmerica, the Central Nonprofit Agency ("CAN") for the purpose of establishing the governing relationship and roles and responsibilities of each party in its respective role within the AbilityOne Program.

The United States AbilityOne Commission, the operating name for the Committee for Purchase from People Who Are Blind or Severely Disabled (the "Commission"), is the independent Federal agency that administers the AbilityOne Program by authority of the Javits-Wagner-O'Day Act ("JWOD Act"), codified in 41 U.S.C. §§ 8501-8506.

SourceAmerica is a nonprofit agency whose mission is to create meaningful employment opportunities and expand choices for people with significant disabilities. SourceAmerica, hereinafter referred to CNA, has historically served as a Commission-designated central nonprofit agency within the AbilityOne Program as identified in 41 C.F.R. § 51-3 and FAR 8.701 to represent Nonprofit Agencies ("NPAs") employing persons with significant disabilities, and thereby facilitate the distribution of orders by the Federal Government for commodities and services on the Procurement List among qualified NPAs employing persons with significant disabilities under the Program.

SECTION A – BACKGROUND AND OBJECTIVES

1. PUBLIC PURPOSE.

The public purpose of this Agreement is to establish key expectations and guidance for the Commission and CNA in relation to the implementation and management of the AbilityOne Program. The Javits Wagner O'Day Act (the "JWOD Act") established the U.S. AbilityOne Commission to both provide and increase employment and training opportunities for persons who are blind or have other significant disabilities through the delivery of products and services to the Federal Government. The JWOD Act also requires the Commission to designate CNAs to facilitate the distribution of federal government orders by allocation or other means.

In 2013, the Government Accountability Office (GAO) reviewed the AbilityOne Commission and program and made recommendations to the Commission to address their findings. The Commission has been working to address the recommendations. Additionally, in December 2015, Congress passed the Consolidated Appropriations Act, 2016, Public Law 114-113, that included certain directives for the AbilityOne Commission to address within 180 days of the Act's passage, namely 1) to enter into written agreements with the CNAs to provide auditing, oversight, and reporting provisions; and 2) to stand up an Office of Inspector General for the agency.

The Commission has met with the CNAs as well as afforded them the opportunity to provide input through the form of a response to a Request for Information to address specific programmatic functions delegated to the CNAs through formal promulgated regulations. Additionally, the Commission met with NPAs participating in the AbilityOne Program as stakeholders to ascertain specific requirements the NPAs have for participating in the program that the CNA provides to them.

2. CENTRAL NONPROFIT AGENCY DESIGNATION.

Pursuant to 41 U.S.C. § 8503(c) and the Consolidated Appropriations Act, 2016, the Commission by execution of this Agreement hereby designates SourceAmerica as the CNA to facilitate the distribution, by direct allocation, subcontract, or any other means, of orders of the Federal Government for products and services on the Procurement List (PL) among qualified NPAs for people with significant disabilities. As a designated central nonprofit agency, SourceAmerica, herein agrees to comply with the terms and conditions of this Agreement as well as the Consolidated Appropriations Act, 2016, the JWOD Act, 41 U.S.C. Chapter 85 and implementing regulations, 41 C.F.R. Chapter 51.

3. DESCRIPTION OF SERVICES.

The CNA shall provide management, labor, supervision, materials, equipment and supplies to furnish CNA program services to the NPAs as outlined in the JWOD Act, 41 U.S.C. Chapter 85 and implementing regulations, 41 C.F.R. Chapter 51. The CNA shall plan, schedule, coordinate, and ensure effective and efficient performance of services provided. The CNA shall provide the services in a manner that promotes the Federal Government's policies and the Commission's specific objectives as set forth in this Agreement, the JWOD Act, 41 U.S.C. Chapter 85, and implementing regulations, 41 C.F.R. Chapter 51. This is a performance-based agreement that includes performance expectations and consequences consistent with the Congressional mandate of the Consolidated Appropriations Act. These performance-based specifications express the

Government's requirements in the form of the minimum quality standard to be met and consequences for deficient performance.

The overall purpose of this Agreement is to implement Public Law 114-113 2016, Consolidated Appropriations Act, 2016, by establishing the governing relationship between the Commission and the CNA to ensure effective stewardship and to increase employment and training opportunities for persons who have other significant disabilities through the delivery of products and services by the NPAs to the Federal Government in accordance with and in furtherance of the JWOD Act.

High value is associated with sustaining and increasing current employment levels and developing and executing new lines of business that also increase new employment opportunities.

Key performance indicators of this agreement are:

- Employment Growth
- Program Administration, Oversight, and Integrity
- NPA Support, Assistance, and Development
- Training and Strategic Communications

SECTION B – CONSIDERATION AND FEES

1. CONSIDERATION FROM THE COMMISSION.

- a) Upon designation as a CNA by the Commission, the CNA may charge fees to qualified and approved nonprofit agencies participating in the AbilityOne Program for facilitating their participation in the AbilityOne Program in accordance with the terms and conditions of this Agreement, 41 CFR §51, and Commission policies governing the AbilityOne Program. The fees charged by the CNA, pursuant to this Agreement, are Program Fee.
- b) The CNA agrees to accept Program Fee payments from third party qualified NPAs as full consideration in accordance with the terms and conditions of this Agreement, the provisions of the Javits-Wagner-O'Day Act and the regulations and policies issued by the Commission. Furthermore, notwithstanding Section D.2., the CNA waives the right to collect Program Fee from the Commission.

- c) The CNA shall enter into written agreements with the qualified NPAs participating in the AbilityOne Program not later than 270 days after the Commission approves the NPA template agreement (or as part of designation as a qualified NPA).
- d) Prior to establishing written agreements with qualified NPAs and within 90 days after execution of this Agreement, the CNA shall provide the Commission with a template of the proposed agreement with the qualified NPAs. The template shall at a minimum and as directed by the Commission include applicable terms and conditions set forth in this agreement. The Commission shall review and approve the terms and conditions of the written agreement template to be executed with the qualified NPA. The Commission will support the implementation of this provision by requiring that NPAs execute the agreements to participate in the AbilityOne Program.
- e) The CNA shall submit a milestone schedule for completing agreements with qualified NPAs participating in the AbilityOne Program from which the CNA receives Program Fee.
- f) The agreement between the qualified NPAs and the CNA shall state the terms under which payment of fees shall be remitted to the CNA from the date of execution of the NPA agreements forward. Notwithstanding the foregoing, nothing herein shall prevent the CNA from charging customary fees including, but not limited to, conference and training fees, loan and interest charges, sponsorships, advertising fees, etc.

2. FEE STRUCTURE.

The intent of this fee structure is to implement the provisions of the JWOD Act and 41 C.F.R. § 51-3.5 by defining a more transparent process for the delivery of CNA services to the qualified NPAs. The flexibility in the fee structure is intended for the CNA to generate revenue within their approved business plan, to incentivize the expansion of employment opportunities and to assist in start-ups. All fees collected under this Cooperative Agreement are considered Program Fee.

- a) The parties agree to an Award Fee Simulation (Pilot test) (Attachment 3) for the first two (2) years of this Agreement. Based on results of the Simulation, at least 90 days before the start of the third year, an Award Fee structure will be negotiated for the final third year of this Agreement.
- b) Use of Fee Collected. The CNA shall use the Program Fee collected only for the intended purposes, under terms and conditions of this Agreement and in furtherance of the AbilityOne Program, unless otherwise expressly instructed in this Agreement or by the Commission.

3. CENTRAL NONPROFIT AGENCY AUTHORITY TO CHARGE PROGRAM FEES FROM NONPROFIT AGENCIES.

- a) The CNA and the qualified NPAs participating in the AbilityOne Program shall agree that after execution of the NPA agreements, NPAs shall make Program Fee payments upon the CNA's submittal of payment requests to the NPAs in accordance with the terms and conditions of the written agreement between the CNA and the qualified NPAs pursuant to Section B.1.(c) and (d) of this Agreement. Prior to execution of the NPA agreements, the CNA may collect Program Fees from the NPAs in accordance with existing practices.
- b) The CNA shall calculate Program Fee based on nonprofit agency sales to the Government under the AbilityOne Program and in accordance with regulations and policies set forth by the Commission governing the AbilityOne Program.
- c) The total Program Fee charged by the CNA shall not exceed the fee ceiling approved by the Commission.
- d) Documentation of fee payment requests shall be provided by the CNA to the Commission in accordance with reporting requirements set forth in this Agreement at Section B.4 in accordance with the Consolidated Appropriations Act or upon written request by the Commission.

As required by Section B.1(f) of this Agreement and 41 CFR §51-4.3(b)(9), the qualified NPAs shall pay the CNA, consistent with the terms and conditions of separate written agreements between the CNA and qualified NPAs. As noted above, prior to execution of the NPA agreements, the CNA may collect Program Fees from the NPAs in accordance with practices existing prior to the execution of this Agreement.
- (b) Amount of payments and limitations on payments. Subject to such other limitations and conditions as are specified in Commission regulations and policies, this Agreement, and this clause, the amount of payments and limitations on payments shall be specified in the Agreement's description of the basis for payment.

- (c) CNA request for Program Fee payment. The CNA may submit requests for payment of unpaid Program Fee payments via a monthly statement of balances to the NPAs. The CNA shall satisfy the following performance objectives and associated tasks in accordance with the terms and conditions of this Agreement, the JWOD Act, 41 U.S.C. Chapter 85 and implementing regulations, 41 C.F.R. Chapter 51.

OBJECTIVE 3.1 EMPLOYMENT GROWTH

Employment growth for persons who are blind or with significant disabilities is the most important objective of this Agreement. The employment growth plan shall identify inherent risks and risk mitigation/recovery activities to be taken in the event changes outside the CNA's control occur. At a minimum, the CNA must provide an employment growth plan that provides new lines of business and employment growth expectations in conjunction with the Business Plan. The CNA, in consultation with NPAs, federal and state customers, disability community (including veterans), and appropriate education institutions (e.g. Gallaudet, American Public University, disability rehabilitation programs, etc.), shall conduct market research and analysis to inform the employment growth plan. At a minimum, the employment growth plan shall incorporate the market analysis results and findings and address the following:

1. Sustaining existing employment. Sustaining existing employment shall result in no net employment loss in lines of business existing at the time of this Agreement, annually thereafter and incorporated herein as agreed upon by the parties or by amendment to this Agreement, absent unforeseen changes by the federal customers to phase out or insource certain lines of business or unforeseen declines in a particular industry, measured in terms of direct labor hours (DLH), for both persons blind/significantly disabled and total DLH separately (as reported in annual representations and certifications). The plan shall have clear objectives with measurable progress towards sustaining net employment levels.
2. Hiring new employees for existing and new lines of business. Each year the CNA shall establish an employee growth target for existing and new lines of business. At a minimum, the strategic growth plan shall include the annual employee growth targets

resulting in net employment growth (people) in existing and new lines of business (as measured in terms of people and FTEs). The plan shall have clear objectives with measurable progress towards increasing net employment levels.

3. Placing employees in upwardly mobile jobs in indirect labor, supervision, management or competitive employment positions (as reported in annual representations and certifications). Such integrated placements will not be factored into the 75% direct labor hour ratio that NPAs must maintain to participate in the AbilityOne Program, but may be considered when evaluating the CNA's performance.
4. Procuring (for internal use) the products and services offered by NPAs participating in the AbilityOne Program (measured by number of NPAs reporting such purchases).
5. Barriers to Employment Growth. The CNA shall provide a forecasting report that shows current market demand, future customer needs, and new customer acquisitions. In this report, the CNA shall identify and prioritize the top five (5) barriers to employment growth and the specific action plans that will be addressed within the next twelve (12) months or the duration of a shorter term.
6. A pipeline report that will show customer procurements for the succeeding twelve months.

The CNA shall also provide quarterly employment growth plan updates that capture progress being achieved relevant to the strategic growth plan. The CNA shall submit quarterly dashboard reports to the Commission identifying actual results (in terms of full time equivalents (FTEs), direct labor hours, and actual people) of annual net employment growth strategies.

OBJECTIVE 3.2 ABILITYONE PROGRAM ADMINISTRATION, OVERSIGHT, AND INTEGRITY

3.2.1: Central Nonprofit Agency (CNA) Governance. Administration, oversight, and integrity of the AbilityOne Program are critical performance elements. To ensure integrity, the CNAs shall avoid actions that are contrary to the terms and conditions of this Agreement, the JWOD Act, 41 U.S.C. Chapter 85 and implementing regulations, 41 C.F.R. Chapter 51, or actions that are otherwise inappropriate or provide the appearance of impropriety. As a representative of qualified NPAs, it is essential that the CNA shall not create an actual conflict of interest or appearance of conflict of interest relative to the NPA doing business with the government by unnecessarily competing with the NPA.

The CNAs shall implement a business ethics program (including conflict of interest policies) in accordance with Section F.3 of this Agreement to effectively reduce the risk of outside influences directing CNA decisions and implement rules to ensure independence and transparency of its board and executive officers in terms of composition and actions. The CNA shall comply with and shall require that all qualified NPAs comply with the AbilityOne regulations, policy, and guidance on conflicts of interest. The CNA shall establish policies and procedures to assure that 1) Boards and officers understand and uphold their fiduciary responsibilities while avoiding any instances that reflect a conflict of interest; 2) assets are managed properly; and 3) the designated responsibilities under the AbilityOne Program are implemented in accordance with the JWOD Act and all other applicable laws, regulations, policies, procedures and guidance. The CNA shall train all existing and new CNA employees who support the Program on business ethics and conflicts of interest policies, at least annually.

The CNA shall disclose, in writing to the Commission, all litigation and all allegations, findings or knowledge of violations of Federal law (such as fraud, bribery, or gratuity violations) by the CNA and/or its NPAs involving the AbilityOne Program within five (5) business days of initial notice to the CNA, to the extent permitted by law. In the case of violations of Federal law, the CNAs shall also provide the Commission with an explanation of how the violation occurred as that information becomes available and the steps the CNA is taking to prevent further similar violations. In addition, the CNAs shall report in writing any potential conflict of interests affecting the Procurement List and AbilityOne Program to the Commission within five (5) business days of learning of the actual or perceived conflict of interest.

3.2.2: CNA Board Governance. The CNA shall require executive and board members to disclose and certify annually, and to the extent practicable prior to any Board decision, all personal interests may be affected by CNA and AbilityOne Program business and transactions. The CNA shall submit a Board of Directors disclosure report to the Commission, no later than August 15 each year, or within 30 days of any change to the CNA's board membership. To avoid the appearance of an impropriety, no board member can vote and/or approve any action impacting AbilityOne Procurement List new opportunities, allocations, and/or re-allocations of contracts that creates a personal conflict of interest without the express written approval of the Commission upon full disclosure of the nature of the conflict of interest. Current CNA board members must be in compliance within thirty (30) days of the Agreement effective date. The CNA shall maintain records indicating recusal of board members and the reason for the recusal.

To avoid the appearance of an impropriety and improper influence, the CNAs must provide a transition plan to the Commission to restructure the Board of Directors to meet the following requirements no later than May 31, 2017. The CNA board shall:

1. Not be composed of current CNA employees other than the CEO in a non-voting *ex Officio* capacity;
2. Have no greater than [REDACTED] composition of Directors from current AbilityOne Program NPAs;
3. Not be composed of less than [REDACTED] people who are disabled, and shall actively seek participation by people with disabilities;
4. Ensure board officer positions (Chair, Vice-Chair)) are not filled by AbilityOne Program NPA executives;
5. Ensure that no CNA executive(s) (i.e. VPs and above) serve as board members of AbilityOne program NPAs;
6. Ensure that no CNA executive(s) (i.e. VPs and above) serve as board members of associations representing AbilityOne program NPAs;
7. Ensure that no executives and/or board members of associations representing AbilityOne Program qualified NPAs serve as board members of the CNA, other than a member of the NCSE Executive Team. This requirement does not preclude the founding National Nonprofit Agencies (NNAs) from sitting on the CNA Board;
8. Form an audit committee to oversee the CNA's financial affairs, and audits are conducted by an independent auditing firm that is overseen by the audit committee; and
9. Upon written request from the Commission, provide to the Commission, for Commission review only, the Meeting Minutes of any public session of a regularly scheduled Board of Directors Meeting.

3.2.3: Establish and Maintain Internal Controls. The CNA shall establish the necessary internal controls in accordance with other laws, regulations, and guidance governing nonprofit institutions as well as to satisfy the requirements under the JWOD Act, 41 U.S.C. Chapter 85 and implementing regulations, 41 C.F.R. Chapter 51. The CNA shall assess and evaluate its internal controls to ensure that the controls are effective and updated when necessary to successfully carry out its responsibilities and avoid potential for waste, fraud, or abuse. The CNA shall also inform the Commission of the results of this assessment not protected by attorney-client privilege or otherwise and demonstrate to the Commission that the controls it has in place are sufficient to meet all the laws, regulations, and guidance governing nonprofit institutions as well as to satisfy the requirements under the Consolidated Appropriations Act and the JWOD Act, and implementing regulations.

3.2.3.1: Internal Control Reporting. Annually, the CNA shall provide to the Commission, a report that lists the CNA's internal control audits related to the AbilityOne Program including, but not limited to, the description/ scope of the audit; number of

material findings; and management action plans to address such findings. The CNA shall submit to the Commission the necessary reports in accordance with this Agreement as well as Commission policy.

3.2.3.2: Single Audit. The CNA shall arrange for a single audit and act upon all recommendations. The CNA shall provide the Commission with a copy of each audit, associated corrective actions, and pertinent related correspondence on an annual basis.

3.2.3.3: Records Management. The CNA shall preserve all records containing appropriate documentation directly related to the AbilityOne Program and relative to critical decisions and essential CNA/NPA transactions associated with its responsibilities pursuant to 41 U.S.C. § 8503(c), 41 C.F.R. § 51-3. See Section F.9 of this Agreement. The CNA shall maintain said records for a period of three (3) years.

3.2.3.4: Records Inspection. The CNA shall make its records and documentation available pursuant to Section F.9 of this Agreement. Nothing herein shall require the CNA to produce data and documents that are privileged or otherwise protected from production under the law.

3.2.4: CNA General Management and Administration. The CNA shall integrate and coordinate all activities required to provide CNA services. The CNA shall participate in semi-annual In-Process Reviews (IPR) of program performance with special emphasis on employment growth and financial management updates. The CNA shall submit the necessary reports and documentation to the Commission not later than 30 days prior to the scheduled IPR.

3.2.4.1: Memoranda of Agreement (MOAs), Memoranda of Understanding (MOUs). Any MOAs, MOUs, or similar agreements with Federal agencies related to the AbilityOne Program require Commission approval prior to final completion and execution. The CNA shall obtain Commission approval at least ten (10) business days in advance of entering into any such MOAs, MOUs, or similar agreements. Annually, the CNA shall submit a report of all current MOAs/MOUs with Federal agencies directly related to the AbilityOne Program.

3.2.4.2: Financial and Accounting System. The CNA shall establish and maintain a financial and accounting infrastructure that meets appropriate Generally Accepted Accounting Principles (GAAP), appropriate internal controls, and government financial system requirements, including separate cost centers for pursuit of AbilityOne Program and commercial activities.

3.2.4.2.1: Costs for Services. For all services provided to the Commission, the CNA shall maintain appropriate documentation to provide transparency and isolate appropriate cost elements associated with providing the services. The CNA shall prepare and maintain documentation that explains and itemizes prices charged.

3.2.5: Equitable Allocations or Recommendations. In accordance with Commission policies, the CNA shall conduct fair, transparent and equitable allocation or recommendations of products and services on the Procurement List to qualified NPAs with impartiality (excluding evaluation factors, such as past performance) and without improper preferential treatment. In making both allocation and recommendation decisions, the CNA shall follow Commission policies. The CNA shall submit an allocation and recommendation report to the Commission on an annual basis. No later than December 31, 2016, the CNA shall submit the proposed structure and content for the allocation report, in accordance with Commission policies. The Commission will review and approve the report format. Upon approval, the CNA must provide the initial allocation and recommendation process report to the Commission no later than December 31, 2017, and every three years thereafter.

3.2.6: Prime Contractor. Effective immediately, after completion of this Agreement, the CNA may perform as the Prime Contractor only when qualified NPAs do not have the capacity to perform the service or when the government customer requests this arrangement with Commission approval. The intent of this provision is for CNAs to support NPAs' ability to do business with the government and not to unnecessarily compete with the NPAs. The CNA shall not charge a Program Fee to any NPAs serving as subcontractors, as related to the subcontract work, when the CNA is approved to serve as the Prime Contractor and bills a management or overhead fee as the Prime Contractor.

OBJECTIVE 3.3 SUPPORT AND ASSIST NPAS WITH ABILITYONE REGULATORY AND FEDERAL BUSINESS REQUIREMENTS

3.3.1: Represent NPAs to the U.S. AbilityOne Commission. As set forth in the JWOD Act, 41 U.S.C. Chapter 85 and implementing regulations, 41 C.F.R. Chapter 51, the CNA shall represent the NPAs in matters before or brought to the Commission or as directed by the Commission.

The CNA will follow its process for recommendation established in accordance with the requirements specified in Section 3.2.5. above.

3.3.1.3: NPA Regulatory Assistance. The CNA shall monitor, report, and assist NPAs in maintaining qualification in accordance with 41 CFR § 51-4.3. The CNA shall provide training to NPAs regarding compliance with the JWOD Act, 41 U.S.C. Chapter 85 and implementing regulations, 41 C.F.R. Chapter 51. The CNA shall develop a qualified NPA oversight protocol and deliver it to the Commission for review and approval within 120 days after execution of this Agreement. The CNA shall conduct assistance visits with the NPAs at required intervals or as may otherwise be necessary and provide the Commission with the findings and recommendations of such visits within seven (7) business days. The CNA shall also provide its FY regulatory review list to the Commission no later than September 1 of each year and an end of the year analysis for their regulatory reviews by January 31 of each year. If the CNA finds an NPA out of compliance, the CNA shall require the NPA to develop a corrective action plan and require that necessary actions are completed by the NPA.

7. New Lines of Business.

6.4: PERFORMANCE EVALUATION. The CNA is expected to provide effective and efficient services at all times. The Commission will conduct performance evaluations in accordance with the Quality Assurance Surveillance Plan (QASP), see Section E, Attachment 4. During the life of this Agreement, the CNA will be expected to document and maintain records of its Quality Control Program.

The Commission will publicly publish the results of CNA performance evaluations. CNA performance of the requirements of this Agreement and the Commission's application of the QASP are factors the Commission will consider as part of the review of the Program Fee ceiling during the first two (2) years of this Agreement.

6.5: EFFECTIVENESS OF QUALITY CONTROL. The Commission will periodically assess the effectiveness of the CNA's Quality Control Program through review of reports required of the CNA, service delivery information, and customer interaction. The quality and timeliness of the CNA's performance of the scheduled program, service call responses and occupant feedback program will be used to assess the overall service delivery. If the CNA fails to adhere to the Agreement requirements and the CNA's performance remains unsatisfactory, it will have a negative impact on the performance evaluation process and have a negative impact on the fee ceiling determinations made by the Commission. Failure to provide required documentation will have a negative impact in the performance evaluation process. See Section E Attachment 4, Quality Assurance Surveillance Plan.

SECTION D – AGREEMENT ADMINISTRATION

1. TERM OF AGREEMENT.

- A. This Agreement will become effective upon the Commission's signature and extend for a period of three (3) calendar years for the initial term.
- B. The Commission may extend the term of this Agreement by written notice to the CNA not later than the last day of the current performance term.

2. DISPUTE RESOLUTION.

If the key officials are unable to resolve a dispute concerning this Agreement within 30 days, they shall refer the dispute to the following officials, who will confer within 15 days of the referral in order to resolve the dispute:

For the Commission:

Such determination shall be the final decision to resolve the dispute. Nothing herein shall limit or waive the CNA's right to pursue judicial review of terms of this Agreement or of any action or decision related to this Agreement except where otherwise prohibited in this Agreement or by law.

3. SEVERABILITY.

If any particular term, covenant, or provision of this Agreement is determined to be invalid or unenforceable, the invalidity or unenforceability thereof will not affect the remaining provisions of this Agreement, which will nevertheless remain in full force and effect. If a court of appropriate jurisdiction finds any provision of this Agreement illegal or unenforceable, the parties will attempt to modify the provision in a mutually agreeable manner that renders the provision lawful and enforceable. If the parties are unable to come to agreement, then the court shall construe such provision as modified to the minimum extent possible to make the Agreement enforceable, provided that the revision does not defeat a material element of the Agreement (e.g., payment).

4. MODIFICATION AND TERMINATION.

A. **Modification.** Except as otherwise stated herein, this Agreement may be modified only by a written instrument executed by mutual agreement of the parties. The Commission reserves the right to make unilateral changes to the Award Fee structure.

B. **Termination.** The Agreement may be terminated, in whole or in part, consistent with terms and conditions of this Agreement, the JWOD Act, 41 U.S.C. Chapter 85 and implementing regulations, 41 C.F.R. Chapter 51 as follows:

1. Any and all fees accrued or earned but not collected pursuant to Section B of this Agreement on or before the effective expiration or termination date.; and,

2. Any and all additional payments, including those pursuant to Section B.1.(f), for work performed by the CNA under this Agreement and/or in accordance with relevant statutory and regulatory requirements.

3. CONTINUITY OF SERVICES.

(a) The CNA recognizes that the services under this Agreement are vital to the Government and must be continued without interruption and that, upon expiration of this Agreement, a successor, either the Government or another CNA, may continue them. The CNA agrees to—

(1) Exercise industry standards and cooperation consistent with available resources, to furnish phase-in training; and

(2) Exercise industry standards, consistent with available resources, to effect an orderly and efficient transition to a successor.

(b) The CNA shall, upon the Agreement Officer's written notice, (1) furnish phase-in, phase-out services for up to 180 days after this Agreement expires and (2) negotiate in good faith a plan with a successor to determine the nature and extent of phase-in, phase-out services required. The plan shall specify a training program and a date for transferring responsibilities for each division of work described in the plan, and shall be subject to the Agreement Officer's approval. The CNA shall provide sufficient experienced personnel during the phase-in, phase-out period to ensure that the services called for by this Agreement are maintained at the required level of proficiency. Nothing in this provision is intended to waive the CNA's right to collect Program Fee or the CNA's right to maintain the confidentiality and ownership of its proprietary information and processes.

(c) The CNA shall allow as many personnel as practicable to remain on the job to help the successor maintain the continuity and consistency of the services required by this Agreement.

(d) The CNA shall be reimbursed for all reasonable phase-in, phase-out costs (i.e., costs incurred within the agreed period after Agreement expiration that result from phase-in, phase-out operations) through Program Fee it collects during the phase-in, phase-out period.

4. THIRD PARTY BENEFICIARIES.

Nothing in this Agreement is intended to create third party beneficiaries. No person or entity, including but not limited to NPAs, qualified or otherwise, or any person(s) at one time employed by or seeking employment with an NPA, has any rights or remedies under this Agreement.

1 OVERVIEW

1.1: Purpose. The purpose of this QASP is to identify the methods and procedures the Commission will use to ensure the CNA provides the services to the NPAs and accomplishes the AbilityOne Program objectives set forth under this Agreement as identified in Section E Attachment 2, Performance Requirements Summary (PRS) in the Performance Work Statement (PWS). This plan will focus on the level of performance required by the PWS; not the methodology or process.

1.2: Intent. The intent of this plan is to rely on the CNA's quality control, thus changing the Commission's role from "oversight" to "insight". Performance objectives will be periodically monitored and the quality program evaluated but the CNA has as much flexibility as possible to develop the most efficient methodology to meet and exceed the required standards of performance.

2 DESCRIPTION OF SERVICES

2.1: Program Overview: The CNA shall provide all management, labor, supervision, materials, equipment and supplies to furnish CNA program management services.

2.2: Scope of Work. This is a performance-based agreement. The CNA shall plan, schedule, coordinate, and ensure effective and efficient performance of all services provided. The CNA shall perform the services in a manner that promotes the Federal Government's policies and the Commission's specific objectives as set forth in this Agreement, the JWOD Act and 41 CFR Chapter 51. These performance-based objectives express the Government's requirements in the form of the minimum quality standard to be met.

The overall purpose of this effort is to increase employment and training opportunities for persons who are blind or have other significant disabilities through the delivery of products and services to the Federal Government in accordance with the Javits-Wagner-O'Day Act.

High value is associated with sustaining and increasing current employment levels and developing and executing new lines of business in the AbilityOne Program that also increase new employment opportunities.

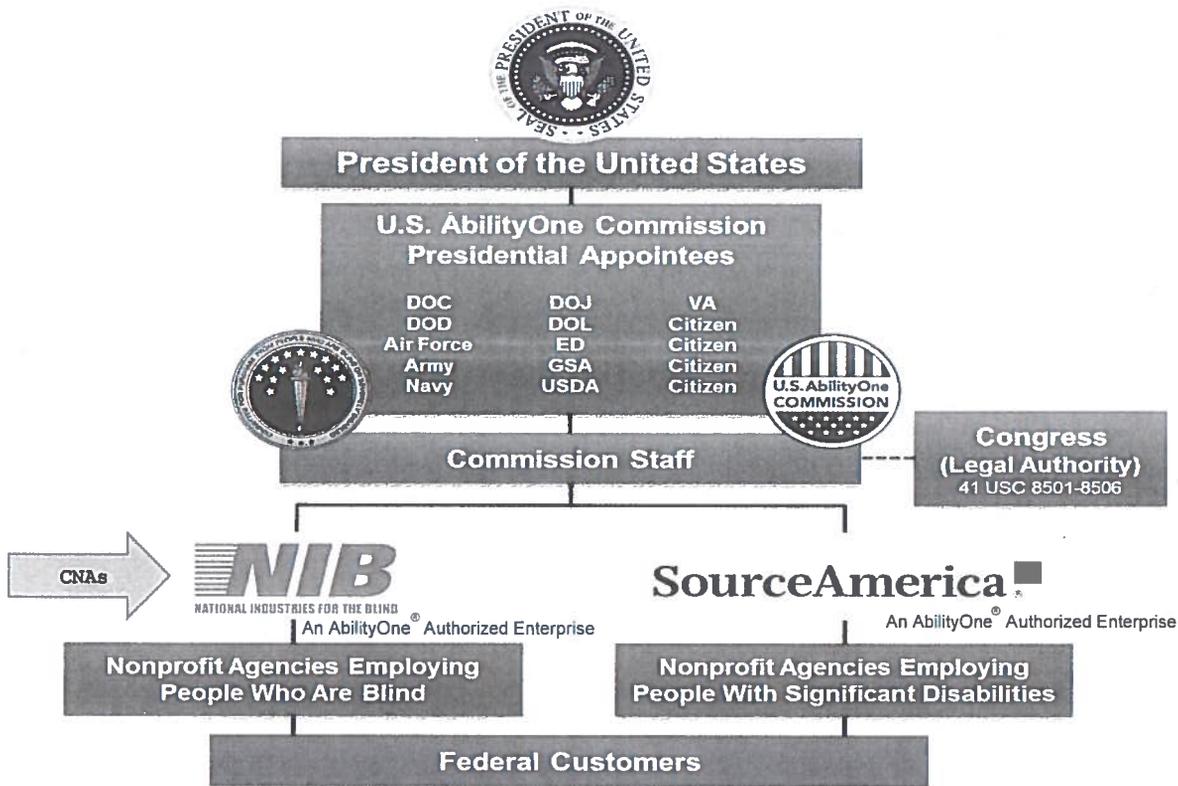

Key Performance Indicators (KPIs) of this agreement are:

- Employment growth
- Program administration, oversight, and integrity
- NPA Support, Assistance, and Development

- Training and Strategic Communications

4. AGREEMENT QUALITY REQUIREMENTS

4.1: Quality System. The CNA's quality requirements are defined in Section C, paragraph 6.0 and Section E Attachment 2, Performance Requirements Summary, of the Performance Work Statement. The CNA shall establish, maintain, and implement a Quality Control Plan (QCP) that encompasses all aspects of the agreement.

5. QASP APPROACH

5.1: Purpose. This section details the method(s) used to verify CNA compliance with PWS requirements. The key elements of this process are the CNA's QCP and Commission identified Performance Objectives. The Performance Objectives dictate the minimum surveillance requirements the Commission must accomplish. This Quality Assurance Surveillance Plan (QASP) provides the procedures on how to conduct these evaluations. To fully understand the roles and responsibilities of the Commission and the CNA, it is important to define the

distinction between the QCP and the QASP. The CNA is responsible for its QCP and is responsible for management and quality control action necessary to meet the quality standards set forth by this Agreement. The QASP is developed to define the Commission's surveillance of the CNA's quality control efforts to ensure the CNA delivers the services and achieves outcomes expected in this Agreement. The Commission is responsible for implementing this QASP and the CNA is responsible for implementing its QCP to meet the quality levels established in this Agreement. Effective CNA surveillance relies on two methods for identification of unacceptable performance – CNA Identified Discrepancies and Commission Identified Discrepancies.

5.2: Surveillance Approach. To facilitate the surveillance of the CNA quality plan, the Commission will verify CNA compliance with designated Performance Objectives. The specific procedures to be followed in verifying the Performance Objectives are delineated in this plan. The intent of this surveillance approach is to gain confidence in the CNA's ability to provide satisfactory services and then adjusting the level of oversight to a point that maintains that confidence. This surveillance approach is subject to change based on the CNA's performance.

5.3: QASP Annual Review. The Commission will review QASP Performance Objectives, assess their applicability and recommend the addition or subtraction of Performance Objectives as conditions warrant. This review will be accomplished annually.

5.4: CNA Special Audits. The Commission must be alert to conditions that would warrant a special quality audit. If the Commission determines a special audit is required because the level of performance for any of the four (4) performance objectives, or any other significant performance requirement, is below an acceptable performance requirement, the Commission may initiate a special quality audit. If a special quality audit is initiated, the CNA will receive a minimum of sixty (60) calendar day notice before the special audit is conducted.

5.5: Surveillance Documentation. Surveillance documentation must be maintained by the Commission to capture surveillance and assessment conducted relevant to the four (4) key performance indicators. The documentation may be maintained in hard copy or on a computer database provided there is adequate backup of the data to preclude accidental loss. The surveillance documentation must contain the results of all surveillance assessments and may contain any other sections or information that the Commission finds useful.

- **QUALITY ASSURANCE SURVEILLANCE PLAN**
- **CNA'S QUALITY CONTROL PLAN**

5.5.1: ACTIVITY LOG. The Commission will prepare a chronological log of CNA actions taken in the accomplishment of assigned performance requirements. The purpose of this log is to

provide a brief synopsis of an inspection of CNA provided services or a meeting or conversation with the CNA regarding PWS performance in a given functional area. Documentation that supports activity log entries is maintained in the RECORDS section of the surveillance folder.

5.5.2: RECORDS. The Commission will maintain any documentation associated with discrepancy reports (both active and resolved), relevant correspondence, and/or letters of interpretation of this Agreement. The CNA shall maintain records that captures all activities relevant to its QCP and actions taken to resolve discrepancies.

5.6: Deficiency Identification. Effective CNA surveillance relies on two methods for identification of unacceptable performance – CNA Identified Discrepancies and Commission Identified Discrepancies. When discrepancies are identified, the Commission and the CNA shall develop a corrective action and ensure necessary actions are completed.

6. METHODS OF SURVEILLANCE

Each Performance Objective below will have unique quality standards and surveillance methodology. Enclosure 1 will be used to ensure consistent, timely, and accurate collection of CNA performance data for each of the defined performance objectives.

7. QASP PERFORMANCE OBJECTIVES/STANDARDS (See Enclosure 1).

The Commission will base performance assessments on both objective and subjective data and information used for evaluation, which will be shared with the CNA. One of the primary goals of the assessment process is to establish a performance and feedback process that supports successful execution of this Agreement. Each Performance Objective includes a Commission determined Performance Standard and the resource that is used to perform the verification.

8. QUALITY CONTROL COMPLIANCE

8.1: Quality Control Compliance. The Commission will evaluate the CNA's QCP semiannually through review of quality records and interview of CNA personnel involved in the quality control process.

8.1.1: The Commission will consider the QCP satisfactory if no more than two (2) findings are identified by the Commission per quarter.

8.1.2: The Commission will utilize the following method of surveillance:

8.1.2.1: Review the CNA's audit and inspection records for the nature and number of inspections conducted, the number and type of deficiencies found and the nature of corrective action taken.

8.1.2.2: Review the CNA's quality status reports to ensure all requirements of the QCP have been complied with.

8.2: Definition of Findings

8.2.1: Finding. A Finding is defined as any Commission identified material noncompliance with Agreement requirements that specifies that an activity or action did not take place. The Commission will document in writing any and all findings of noncompliance with this Agreement and will afford the CNA the opportunity to work with the Commission to address any such findings.

SECTION F - AGREEMENT CLAUSES**1. RESTRICTIONS ON SUBCONTRACTOR SALES TO THE GOVERNMENT**

(a) Except as provided in (b) of this clause, the CNA shall not enter into any agreement with an actual or prospective qualified NPA or subcontractor, nor otherwise act in any manner, which has or may have the effect of restricting sales by such entity directly to the Government of any item or process (including computer software) made or furnished by the entity under this Agreement or under any follow-on related agreement, contract, or subcontract, or otherwise infringe on the entity's ability to compete for CNA designation.

(b) The prohibition in (a) of this clause does not preclude the CNA from asserting rights that are otherwise authorized by law or regulation. For acquisitions of commercial items, the prohibition in paragraph (a) applies only to the extent that any agreement restricting sales by subcontractors results in the Federal Government being treated differently from any other prospective purchaser for the sale of the commercial item(s).

(c) The CNA shall incorporate the substance of this clause, including this paragraph (c), in all subcontracts under this Agreement which exceed the simplified acquisition threshold.

2. ANTI-KICKBACK PROCEDURES

(a) Definitions. "Kickback," as used in this clause, means any money, fee, commission, credit, gift, gratuity, thing of value, or compensation of any kind which is provided to any CNA, CNA employee, qualified NPA, qualified NPA employee, subcontractor, or subcontractor employee for the purpose of improperly obtaining or rewarding favorable treatment in connection with this Agreement, a prime contract in the AbilityOne Program or in connection with a subcontract relating to a prime contract in the AbilityOne Program.

(b) 41 U.S.C. chapter 87, Kickbacks, prohibits any person from—

- (1) Providing or attempting to provide or offering to provide any kickback;
- (2) Soliciting, accepting, or attempting to accept any kickback; or
- (3) Including, directly or indirectly, the amount of any kickback in the contract price charged by the CNA or in the contract price charged by a subcontractor to a prime Contractor or higher tier subcontractor apart from payments contemplated by this Agreement and the Program.

(c)(1) The CNA shall have in place and follow reasonable procedures designed to prevent and detect possible violations described in paragraph (b) of this clause in its own operations and direct business relationships.

(2) When the CNA has reasonable grounds to believe that a violation described in paragraph (b) of this clause may have occurred, the CNA shall promptly report in writing the possible violation. Such reports shall be made to the inspector general of the contracting agency, the head of the contracting agency if the agency does not have an inspector general, or the Attorney General.

(3) The CNA shall cooperate fully with any Federal agency investigating a possible violation described in paragraph (b) of this clause.

(4) The Agreement Officer may (i) assess a penalty which and/or (ii) direct that the CNA withhold from sums owed a subcontractor under the prime contract the amount of the kickback. The Agreement Officer may order that monies withheld under subdivision (c)(4)(ii) of this clause be paid over to the Government unless the Government has already offset those monies under subdivision (c)(4)(i) of this clause. In either case, the CNA shall notify the Agreement Officer when the monies are withheld.

It includes providing timely and complete response to Government auditors’ and investigators’ request for documents and access to employees with information;

(A) A violation of Federal criminal law involving fraud, conflict of interest, bribery, or gratuity violations found in Title 18 of the United States Code; or

(B) A violation of the civil False Claims Act (31 U.S.C. §§ 3729-3733).

(ii) The Government, to the extent permitted by law and regulation, will safeguard and treat information obtained pursuant to the CNA's disclosure as confidential where the information has been marked "confidential" or "proprietary" by the company. To the extent permitted by the law and regulation, such information will not be released by the Government to the public pursuant to a Freedom of Information Act request, 5 U.S.C. Section 552, without prior notification to the CNA. The Government may transfer documents provided by the CNA to any department or agency within the Executive Branch if the information relates to matters within the organization's jurisdiction.

(iii) If the violation relates to an order against a Government-wide acquisition contract, a multi-agency contract, a multiple-award schedule contract such as the Federal Supply Schedule, or any other procurement instrument intended for use by multiple agencies, the CNA shall notify the OIG of the ordering agency and the IG of the agency responsible for the basic Agreement.

(1) An ongoing business ethics awareness and compliance program.

(i) This program shall include reasonable steps to communicate periodically and in a practical manner the CNA's standards and procedures and other aspects of the CNA's business ethics awareness and compliance program and internal control system, by conducting effective training programs and otherwise

disseminating information appropriate to an individual's respective roles and responsibilities.

(B) Ensure corrective measures are promptly instituted and carried out.

(ii) At a minimum, the CNA's internal control system shall provide for the following:

(A) Assignment of responsibility at a sufficiently high level and adequate resources to ensure effectiveness of the business ethics awareness and compliance program and internal control system.

(B) Best efforts not to include an individual as a principal, whom due diligence would have exposed as having engaged in conduct that is in conflict with the CNA's code of business ethics and conduct.

(1) Monitoring and auditing to detect criminal conduct;

(D) An internal reporting mechanism, such as a hotline, which allows for anonymity or confidentiality, by which employees may report suspected instances of improper conduct, and instructions that encourage employees to make such reports.

(E) Disciplinary action for improper conduct or for failing to take reasonable steps to prevent or detect improper conduct.

(F) Timely disclosure, in writing, to the agency OIG, with a copy to the Agreement Officer, whenever, in connection with the award, performance, or closeout of any Government contract performed by the CNA or a subcontractor thereunder, the CNA has credible evidence that a principal, employee, agent, or subcontractor of the CNA has committed a violation of Federal criminal law involving fraud, conflict of interest, bribery, or gratuity violations found in Title 18 U.S.C. or a violation of the civil False Claims Act (31 U.S.C. §§ 3729-3733).

(1) If a violation relates to more than one Government contract, the Contractor may make the disclosure to the agency OIG and Agreement Officer responsible for the largest dollar value contract impacted by the violation.

(2) If the violation relates to an order against a Government-wide acquisition contract, a multi-agency contract, a multiple-award schedule contract such as the Federal Supply Schedule, or any other procurement instrument intended for use by multiple agencies, the contractor shall notify the OIG of the ordering agency and the IG of the agency responsible for the basic contract, and the respective agencies' Agreement Officers.

(b) (1) By signing this Agreement, the CNA acknowledges the requirement to be registered and maintain an “Active” record in the SAM database prior to award, during performance, and through final performance under this Agreement.

(2) The CNA is responsible for the accuracy and completeness of the data within the SAM database, and for any liability resulting from the Government’s reliance on

inaccurate or incomplete data. To remain registered in the SAM database after the initial registration, the CNA is required to review and update on an annual basis, from the date of initial registration or subsequent updates, its information in the SAM database to ensure it is current, accurate and complete. Updating information in the SAM does not alter the terms and conditions of this Agreement.

(c) The CNA's representations and certifications, including those completed electronically via the System for Award Management (SAM), are incorporated by reference into the Agreement.

6. CERTIFICATION REGARDING RESPONSIBILITY MATTERS

(a) By signing this Agreement, the CNA certifies, to the best of its knowledge and belief, that the CNA and/or any of its Principals are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency; have not within a three-year period preceding this offer, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State, or local) contract or subcontract; violation of Federal or State antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, violating Federal criminal tax laws, or receiving stolen property; are not presently indicted for, or otherwise criminally or civilly charged by a governmental entity with, commission of any of the offenses listed in this paragraph; have not, within a three-year period preceding this offer, been notified of any delinquent Federal taxes in an amount that exceeds \$3,500 for which the liability remains unsatisfied; have not, within a three-year period preceding this Agreement, had one or more contracts terminated for default by any Federal agency

(b) This certification concerns a matter within the jurisdiction of an Agency of the United States and the making of a false, fictitious, or fraudulent certification may render the maker subject to prosecution under Section 1001, Title 18, United States Code.

(c) The certification in paragraph (a) of this provision is a material representation of fact upon which reliance was placed when making award. If it is later determined that the CNA knowingly rendered an erroneous certification, in addition to other remedies available to the Government, the Agreement Officer may cancel this Agreement.

7. UPDATES OF PUBLICLY AVAILABLE INFORMATION REGARDING RESPONSIBILITY MATTERS

The CNA shall update the information in the Federal Awardee Performance and Integrity Information System (FAPIIS) on a semi-annual basis, throughout the life of this agreement, by posting the required information in the System for Award Management database via <https://www.acquisition.gov>.
